

CERTIFICATE OF ANALYSIS

PRODUCT NAME:	C3, Polyclonal Anti-Human Affinity Purified
AB CONCENTRATION:	Typically 1mg/MI
CAT. NO:	ICC3-80A
FORM:	Liquid In Pbs, Ph 7.2
HOST:	Chicken
IMMUNOGEN:	Human Compliment C3
PURITY:	Affinity Purified
STORAGE:	2-8C

Anti-Human C3 Procedure: Chickens were immunized with highly purified human C3 isolated from human serum. The resulting anti-human C3 was solid phase absorbed then affinity purified off an antigen containing immunoabsorbant.

Specification: This anti-Human C3 is suitable for depletion, ELISA and Botting applications.
