

CERTIFICATE OF ANALYSIS

PRODUCT NAME:	Lactate Dehydrogenase , Polyclonal anti-Human Affinity Purified (LDH)
AB CONCENTRATION:	Typically 1mg/ml
CAT. NO:	ICLDH-80A
FORM:	Liquid in PBS, pH 7.2
HOST:	Chicken
IMMUNOGEN:	Human Lactate Dehydrogenase (LDH)
PURITY:	Affinity Purified
STORAGE:	2-8C

Polyclonal Antibody: anti-human lactate dehydrogenase LD Procedure: Chickens were immunized with highly purified human LDH. The resulting anti-human Lactate Dehydrogenase was solid phase absorbed then affinity purified off an antigen containing immunoabsorbant.
