

## CERTIFICATE OF ANALYSIS

PRODUCT NAME:	C-Reactive Protein, Polyclonal Anti-Human Affinity Purified (Crp)
AB CONCENTRATION:	Typically 1mg/MI
CAT. NO:	IGcrp-80a
FORM:	Liquid In Pbs, Ph 7.2
HOST:	Goat
IMMUNOGEN:	Human C-Reactive Protein
PURITY:	Affinity Purified
STORAGE:	2-8C

Polyclonal Antibody goat anti-human C-Reactive Protein (anti-CRP) procedure: Goat(s) were immunized with Human CRP C-Reactive Protein . After multiple immunizations in Freund's adjuvant, the goat(s) were bled and serum collected.

The affinity purified Polyclonal antibody anti-Human CRP C Reactive Protein reacts only with C-Reactive Protein CRP by ELISA, IEP and Double Diffusion.

Western Blots 1:1,000-1:5,000  
ELISA 1:5,000-20,000
