

CERTIFICATE OF ANALYSIS

PRODUCT NAME:	Elastase, Polyclonal anti-human (whole anti-serum)
CAT. NO:	ISEST-80
FORM:	Liquid
HOST:	Sheep
IMMUNOGEN:	Human elastase
STORAGE:	2-8C

Polyclonal anti-human Elastase procedure: Sheep were immunized with highly purified human elastase. The resulting anti-human elastase was solid phase absorbed to ensure specificity.

The sheep Polyclonal anti-human elastase reacts only with human elastase by IEP and gel diffusion techniques
